

101st Airborne Division EOD Support Plan

725th Ordnance Company
(EOD)

19 Aug 03

725th Ordnance Company (EOD) Task Organization

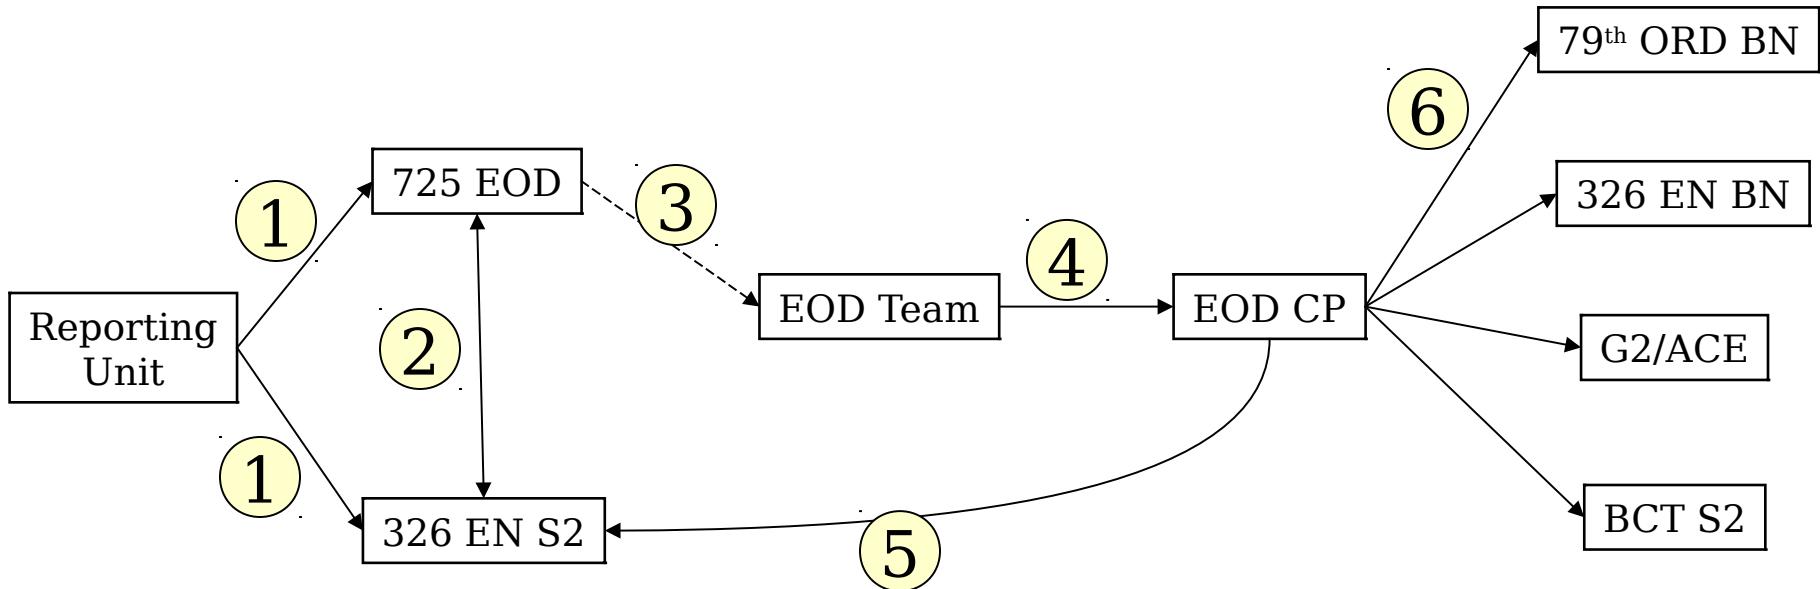

* - GS teams conduct CEA destruction and IED response

** - Commander operates as a team leader when necessary

*** - SFC Maim and SFC Rogers rotate as Ops NCO/Team Leader

UXO/IED Reporting

- 1) Incident is reported through 326 EN S2 - directly to EOD for IEDs/Priority Missions (CCd to UXO Tracker is forwarded from 326 EN S2 to EOD daily)
- 2) UXO Tracker is forwarded from 326 EN S2 to EOD daily
- 3) EOD prioritizes incidents and responds team(s) - 2 teams respond for IED within 15 minutes
- 4) EOD team maintains contact with EOD CP using Iridium Phones - Calls in sites cleared
- 5) UXO tracker is updated daily and forwarded from EOD to 326 EN S2 with Company SITREP
- 6) IED COMTECH reports are forwarded to S2/G2 channels for each actual IED

Current Operations

- EOD CP is located in AO Glory
- Cache collection, CEA destruction and Incident response occurs daily
- EOD has the ability to respond 3 teams in 2 BCT AOR as required
- EOD CP can quickly relay updated information to teams employed via Iridium phone when out of range of SINGARS
- Missions flow through 326 EN S2 and are updated daily on UXO tracker to provide visibility
- SITREP is provided daily to 326 EN and DIVARTY for mission visibility on all EOD operations
- IED response is within 15 minutes after notification - 2 teams respond as first package (individual team may respond if second IED is reported)
- Team responding to IED completes COMTECH to provide detailed information on IED encountered

Current Operations

- 1,151 EOD missions have been completed in the 101st AOR
- 193,156 pieces of ordnance has been safely destroyed totaling 549,614 pounds Net Explosive Weight
- Current operation allows for all missions to be accomplished by managing teams completing incidents and CEA destruction
- Flow of information allows the division to maintain visibility on EOD operations for UXOs, IEDs and CEA collection/destruction
- EOD response is available 24 hours a day
- Teams are managed on operations to ensure maximum safety of teams - protecting a critical combat multiplier
- B/326 EN provides two escort vehicles daily for EOD support to 2 BCT
- Same support is received 24 hours a day for IED response

Priority CEA Destroyed

- Total: 43,694 Pieces of Priority CEA
 - 56 MANPADS
 - 21,635 RPGs
 - 1,211 Demo Material
 - 3,381 Grenades
 - 17,323 Landmines
 - 88 107/122mm Rockets
